

Service Project Application

To follow is the Every One Matters Beautification Service Project Application. Please remember that in order to receive an EOM beautification day service project event, the projects you are requesting to be completed must directly benefit the kids! If you would like your school to be considered for an Every One Matters beautification day service project event, please complete and submit the following information. Or please print and complete the following form, print, and then mail or fax completed form to:
